Low FODMAP Balsamic Chicken with Peaches

Low FODMAP W Roast Chicken & Vegetables

INGREDIENTS:

- 4- pounds (1.8 kg) chicken thighs, bone-in, skin on
- Kosher salt
- Freshly ground black pepper
- 1 cup (125 g) fresh blueberries
- ¼ cup (60 ml) balsamic vinegar
- ¼ cup (60 ml) maple syrup
- 2 teaspoons rubbed sage (ground sage)
- 1 teaspoon Gourmend Garlic Scape Powder; optional, see Tips

PREPARATION:

1. Position rack in top third of oven. Preheat oven to 375°F (190°C).
2. Arrange chicken in a single layer in a large roasting pan and season generously with salt and pepper. Scatter blueberries all over then drizzle with balsamic vinegar and maple syrup. Sprinkle sage over all, and Gourmend Garlic Scape Powder, too, if using.
3. Roast in oven for 35 to 45 minutes or until chicken is cooked through, skin is crispy and the dish is saucy. Allow chicken to rest while you pour off the sauce into a small pot and boil for a few minutes or until thickened and reduced; it will turn glossy. Brush this thickened glaze over the chicken and serve. We like this dish served with rice and a green vegetable.
